

## DIRECTIONS TO ZID THEATER

**Location:** ZID Theater, De Roos van Dekamaweg 1, 1061 HR, Amsterdam

ZID Theater is located in the Bos en Lommer district. Amsterdam Sloterdijk Station is within walking distance (approximately 10-15 minutes). Due to parking fees, we recommend coming by public transport.

### Building

ZID Theater is located on the top floor of the BOUW creative hub, in the former HTS building from the 1960s. Below are directions for both car and public transport.

### OPTION A: Car

From the city (Admiraal de Ruiterweg, turn left onto Wiltzanghlaan, pass under the Ringweg. Immediately after the overpass under the Ringweg, you will see the former HTS building on your right).

- At the corner of Wiltzanghlaan and Ferdinand Huyckstraat, go straight onto Ferdinand Huyckstraat (paid parking is available here).
- Then walk past the studio building on the right until the end of the street (towards Sportpark – football field – Multatuliweg).
- Then turn right along the bike path.
- The gray door provides access from numbers 1 to 9. Ring the doorbell at number 1 (ZID Theater). See image above.

For specific directions, see [Google Maps](#).

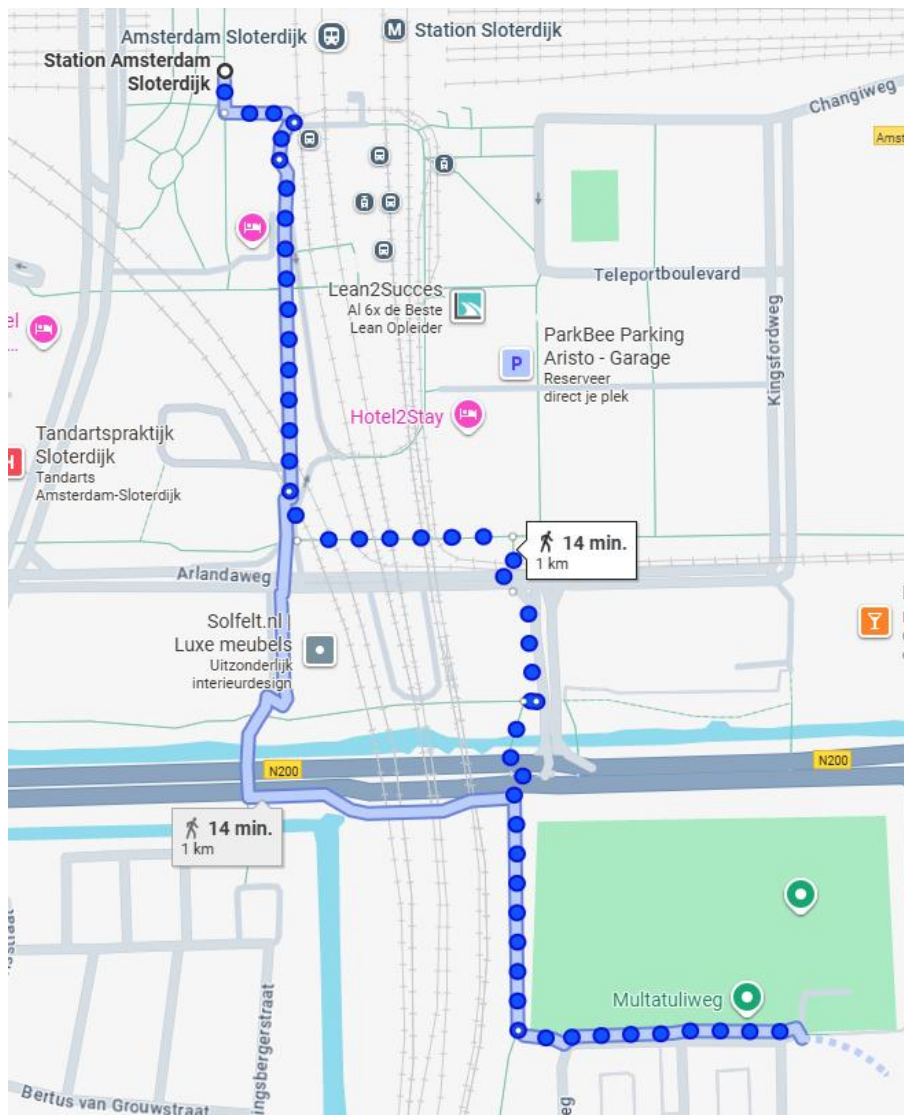

Parking on the street is a possibility and costs €5.18 per hour. Unfortunately, there are no free parking options nearby. A cheaper alternative, an 18-minute walk away, is ParkBee HNK (Address: Radarweg 60, 1043 NT, Amsterdam), with an hourly rate of €2.45 and a

daily rate of €15.00 if reserved in advance. (Note: prices fluctuate.) For the most recent prices, check the website: [ParkBee - Location - HNK Amsterdam Sloterdijk](#).

## OPTION B: Public Transport

### Train

Arriving by train? It's best to plan a route to Amsterdam Sloterdijk. ZID Theater is about a 10-minute walk from Sloterdijk Station. Exiting the main entrance, turn left towards Haarlemmerweg. Cross Haarlemmerweg and follow the parallel bike path towards the city center. Pass under the train viaduct. Continue following the bike path as it curves around the soccer fields to the right. You'll see our building here.

## **Metro**

*Are you coming by metro from another part of the city? Then it's best to:*

- Get off at Vlugtlaan (line 50)
- Walk towards Bos & Lommerweg
- Turn left onto Schaapherderstraat
- Continue straight ahead until Ferdinand Huyckstraat
- Continue towards Sportpark Multatuliweg
- At the end of the street, turn right along the cycle path and immediately turn right.

## **Bus**

*From Sloterdijk, take bus 64 (towards Lelylaan)*

- Stop: Akbarstraat on Wiltzanghlaan
- Walk back 20 meters and turn left (Ferdinand Huyckstraat)
- For further information, see above.

*From Central Station, take bus 21 (towards Geuzenveld)*

- Get off at Burg. De Vlugtlaan at the Vlugtlaan metro station.
- For further information, see above.

## **Tram**
